

Developmental Screening Initiative 2011 Learning Collaborative

To ensure that no child reaches kindergarten with an undetected developmental delay

The Developmental Screening Initiative (DSI) is an approved **Maintenance of Certification (MOC) Quality Improvement Project** by the American Board of Family Medicine (ABFM) and the American Board of Pediatrics (ABP). All project activities are also approved for CME credits. Two options to choose in this cycle:

When: April 7, 2011 from 1 PM—5 PM

Location: UNM Gallup Campus/CH 220/Gallup, NM
~ OR ~

May 4, 2011 from 8 AM—12 PM

Location: Santa Fe, NM (location TBD)

Who: Primary care physicians caring for pediatric patients

*It is ideal to bring with you **at least** one member (hopefully more) from your nursing and/or office staff that will be involved with secure and periodic chart data abstraction.*
